

O-Ring / Backup / Face / Flange / Fluid Connector / Quad Ring / Lathe Cut Kits AS568 Standard

These kits consist of a series of sizes for different applications, assembled into one assortment kit for one low price.

Several series of kits are available, in metric and standard and come in a variety of compounds. These kits are convenient, and provide a way to find the exact fit for each of your applications.

Many kits are in stock, for same day shipment.

Check alleghenyork.com or call for sale pricing on many of these kits.
